COME BACK !

I mean it, come back! I've missed you. The past summer's Sundays have been quite pleasant, I must admit. Quiet, casual, and brief. And attendance has been quite good, for the summer. But I miss those of you who have been away and especially the kids. It's always astonishing to see the children come back in September. How they have grown! All of us have grown, I suppose, though some of us have only grown older. But never mind. I want to see you anyway. And, by the way, the first Sunday of our being back is a great time to bring a friend to church. And don't just invite them. Bring them. So see you on the 9th, old friends.
